Year 7 school intakes compared with preferences - September 2021 intake
Spring update

If a child has qualified for a Grammar school place then first preference is defined as the highest ranked school. If a child has not qualified for a Grammar school place then the first preference is defined as the highest ranked Upper school
Highcrest Academy, Khalsa Secondary Academy, Sir Thomas Fremantle School and St Michael's RC School do not have catchment areas so all preferences are shown as being out of catchment.
Figures include pupils who have been allocated a place but not yet accepted but exclude pupils who withdrew from the Bucks admissions procedure.
SEN pupils allocated a Bucks maintained secondary school are shown separately in the table as they were allocated through a separate procedure.
In some instances, a place may have been held (not allocated) on 1 March pending the admission of a child with an Education, Health & Care Plan.

School Name	Type	Total Bucks Pupils Allocated 1st Pref	Total Bucks Pupils Not Allocated 1st Pref	Total Bucks Pupils with a 1st Pref	% Bucks Pupils Allocated 1st Pref	Admission Number (Sept 2021)	In County Allocations	Out County Allocations	Total Allocations
