

Café 22

Café 22 offers a regular meeting place for people living with dementia and/or memory loss, and for those caring for them in an informal, friendly environment.

Café 22 offers a means for improving well-being by providing a place to chat and ask questions, a place to share experiences, a place to reminisce but above all a place of interest and enjoyment. We have a group of trained volunteers at each coffee morning and aim to offer a variety of activities such as arts and crafts, games and music.

Café 22

About us:

There is no charge for attending Café 22, although there will be opportunity for those attending to make a voluntary contribution towards the costs of providing the refreshments. We are geared up for both cash and cashless contributions!

Café 22 operates as a stand-alone entity with its own Management Committee, but it is initially supported by and bound by the governance procedures of the Little Chalfont Community Association. These include policies that cover Safeguarding, Equality and Diversity and Privacy.

We have a retired medical doctor on our Management Committee, a retired NHS nurse as a volunteer and are supported by a Dementia Champion. We thus have a source of reference and advice for the Management Committee and for attendees of the café. Furthermore, we refer on to an appropriate expert when needed and there are written materials by the Alzheimer's Society for clients to take away.

Café 22 has undertaken appropriate Risk Assessments to ensure compliance with all necessary Health and Safety rules (including First Aid regulations), food hygiene rules and COVID safety recommendations. In addition, all our volunteer staff are suitably trained.

A register of Café users will be maintained but, like a hotel register this document will be kept securely; all registration details will be maintained under GDPR rules.

The launch of this initiative has been backed by the Community Association and the Little Chalfont Parish Council, with funding support also provided by The Grant Foundation, the Amersham and Villages Community Board and Paradigm Community Foundation.
