Buckinghamshire Council Concessionary Bus Travel Scheme 2024-25

Please find attached details of the Buckinghamshire Council Concessionary Bus Travel Scheme for 2024-25 in accordance with Section 150 of the Transport Act.

Following meetings with bus operators on 9 February 2024 regarding the operational and reimbursement arrangements, a one year Scheme was agreed to reimburse on a "fixed pot" basis and that the reimbursement pot for 2024/25 will be set at £5,045,000. Under this agreement there will be no claims made for additional payments by either side for the duration of the scheme.

With regard to the services for which the Council will provide reimbursement, these include all registered local bus services available to the general public (as defined in the Travel Concessions (Eligible Services) Order 2002, amended in 2009).

Yours sincerely

James Loader
