MAIDS MORETON NEIGHBOURHOOD PLANNING REFERENDUM

General Information for voters

About this leaflet

On **Thursday 21 December 2023**, there will be a referendum on a neighbourhood development plan for Maids Moreton Parish. This leaflet explains more about the referendum that is going to take place and how you can take part in it.

Referendum on the Neighbourhood Plan

A referendum asks you to vote 'yes' or 'no' to a question. For this referendum you will receive a ballot paper with this question:

'Do you want Buckinghamshire Council to use the neighbourhood plan for Maids Moreton to help it decide planning applications in the neighbourhood area?'

How do I vote in the referendum?

You vote by putting a cross (X) in the 'Yes' or 'No' box on your ballot paper. Put a cross in only one box or your vote will not be counted.

If more people vote 'yes' than 'no' in this referendum, then Buckinghamshire Council will use the Neighbourhood Development Plan to help it decide planning applications in Maids Moreton parish.

The Neighbourhood Development Plan once 'Made' (adopted) will become part of the Development Plan. In the former Aylesbury Vale District Council area, the development plan currently consists of the adopted Vale of Aylesbury Local Plan and the Buckinghamshire Minerals and Waste Local Plan 2016-2036.

If more people vote 'no' than 'yes,' then planning applications will be decided without using the Neighbourhood Development Plan as part of the Development Plan for the local area.

What is Neighbourhood Planning?

Neighbourhood planning aims to help local communities play a direct role in planning the areas in which they live and work.

A community can prepare a neighbourhood plan. This plan can show how the community wants land to be used and developed in its area.

What is a neighbourhood area?

A neighbourhood area can cover single streets or large urban or rural areas. The boundaries of a neighbourhood area are put forward by a parish or town council or a neighbourhood forum (a group of at least 21 people in areas without parish councils).

In Maids Moreton Neighbourhood Plan, the boundary of the neighbourhood area was determined by the former Aylesbury Vale District Council and is identical to the parish area of Maids Moreton (see below).

Who can prepare a Neighbourhood Plan?

Neighbourhood plans are prepared by town or parish councils, or neighbourhood forums. In this case, the Maids Moreton Neighbourhood Plan was prepared by Maids Moreton Parish Council.

What is a Development Plan?

In England, planning applications are determined by local planning authorities in accordance with the Development Plan. A Development Plan is a set of documents that set out the policies for the development and use of land across the entire local authority area.

Who is the Planning Authority?

Within Buckinghamshire, the local planning authority is Buckinghamshire Council. Buckinghamshire Council is the lead authority for Neighbourhood Planning matters, including for carrying out Neighbourhood Planning Referendums.
